ARIENS APEX 48

£POA

Made for service providers who mow frequently. Top components in the engine, drive and cutter deck combined with an excellent price-performance ratio.

With a cutting width of 122 cm and its Kawasaki FR691 726 cm³ V-Twin engine, the APEX 48 is designed for commercial use on medium-sized and larger areas. It ejects the grass via its side discharge or can optionally be operated with a mulching kit (with closed side discharge). With a cutting width of 122 cm, it is particularly manoeuvrable between narrow obstacles and on
