ARIENS APEX 52

£POA

Made for service providers who mow frequently. Top components in the engine, drive and cutter deck combined with an excellent price-performance ratio.

With a cutting width of 132 cm and its Kawasaki FR691 726 cm³ V-Twin engine, the APEX 52 is designed for commercial use on larger areas. It ejects the grass via its side discharge or can be operated with an optional mulching kit (with closed side discharge).
