ARIENS ZENITH 52R

£POA

All our experience in one machine for daily, professional and local authority use. The maximum in performance, durability and comfort. You can rely on it. Every day.

The “R” on the ZENITH 52R stands for “rear-discharge”. The mowed grass is discharged to the rear, between the wheels. Kawasaki professional FX730V engine with double air filter. Suspended wheel forks and cushioned, adjustable comfort seat for maximum driving comfort. Professional cutting deck with 132 cm cutting width. Can be used with side discharge or optional
